It's taken quite a while to get right but finally my new official website is up and running properly! Even though it has been up for almost a year, we had lots of teething problems which are now fixed. If you are interested, you can find it at www.tovejensen.com

I hope you like it.....

Since there seem to be so many postings about me on the internet, I decided that now was the time so start my own weblog. Over the forthcoming weeks and months, I will add little bits and pieces where I can which I hope that you will find of great interest!

About Me

Name:

Tove Jensen

Location:

Scandinavia

Well-known as an adult film star in the 1970s and early 1980s, my reputation has now achieved somewhat of a cult status which is very surprising given that I made so few appearances over such a short space of time! My identity is now changed so that my current life remains private. There is little that I can do to change the past other than to make sure that it is recorded accurately.
