RE: United States v. [REDACTED]

Dear [REDACTED]

I am renewing the previous request of my client, which was made through [REDACTED] at the last video viewing. Specifically, a request was made for the actual footage of "Flashing [REDACTED] of the first four girls on that tape which does not contain sexually explicit conduct of the alleged underage girl.

It is my understanding that you told [REDACTED] in my client's presence that this would not be a problem. I would appreciate it if you would furnish these to my office. I have arranged to have one of my legal assistants accompany [REDACTED] to your office on May [REDACTED] 199[REDACTED] (if that date is convenient for you) at 1:00pm to do another viewing and inspection of the various materials. If convenient, I would appreciate if you provide, at that time, copies of all the "still" photographs you intend to introduce in to evidence, and a copy of the "Flashing [REDACTED] as above described.

If May [REDACTED] 199[REDACTED] at 1:00pm is not convenient for you, please let me know immediately so an alternative date can be arranged. Finally, I am enclosing herein Defendant's Second Supplemental Response to The Government's Motion for Reciprocal Discovery. Please have all of these tapes available for possible showing, subject to the Court's rulings, at the trial.

Thank you for your time and consideration.

Very truly yours,

[REDACTED]
