### SOMETHING FOR EVERYONE

Tired of the same old boring videos being produced today with all the models looking like Ken & Barbie? If so, then check out some of our videos. We can't turn back the clock, but we at Filmfare believe that "older is better". Not all the girls are beautiful and not all the guys are handsome, but they sure are having a hell of a lot of fun.

### FILM-TO-TAPE TRANSFERRING

We will transfer any legal 8mm and 16mm film to video tape and convert foreign videos to U.S. standards at a price which is less than any other transfer service available. Furthermore, if you have pre-1970 stags or softcore film, we will transfer such film free of charge. For information and a price list, check the box on the Order Form. Our service is professional and confidential.

### MAILING LISTS

We do not sell, trade or exchange our mailing list with any other companies. Your name and address remains confidential. Unless you tell us to remove your name from our mailing list, we will send you no more than one or two updates per year.

### SIGNATURE CARD

First time buyers must sign and return the enclosed authorization card. **WE WILL NOT SHIP YOUR ORDER UNLESS WE HAVE THIS CARD ON FILE - NO EXCEPTIONS.** Also, we must have a legible last name — no initials for the last name please.

### CATALOG CHANGES

In a continuing effort to improve the quality of our videos, we are remaking the masters to many of our older tapes. In doing so, we may not have all of the original reels of film and will have to substitute with film on hand. Since we published our last Catalog Supplement 94-A, we have remade the masters to the following tapes: 11, 15, 16, 17, 18, 27, 39, 42, 44, 45, 46, 47, 101, 125, 165, 166, 167, 168, 169, 170 and 176.

As we remake masters we are removing the "Blue Vanities" logo which we had superimposed in the lower left hand portion of the tape. None of the above-mentioned 21 tapes or our fifty new tapes have the distracting logo superimposed on them.

Please Note — All past FILMFARE VIDEO LABS, INC. Catalogs and Supplements are void with the printing of this catalog.

All videos are recorded on new, quality brand name videotape at SP mode. We do not make custom videos, nor are we interested in trading tapes.

### NEW TAPE HIGHLIGHT!!

It has long been rumored that Kim Novak appeared in a stag film. We can't verify if this is true, but if she did then we have the film. Tape 235 has two loops, "The Call Girl" and "The Barker", in which the girl is a dead-ringer for Miss Novak. One of the guys in both reels could almost be considered a midget. The same girl and "shorty" are also in Tape 179 in a sequence titled "Mutt & Jeff". You be the judge!

*We hope you enjoy the New Tapes and Catalog!*
