11 Tape 17-E is labeled [REDACTED]

12 The segments to be shown from this tape include scenes where
13 a male motorcyclist and a high-school-aged female companion
14 wind up on a park bench. Then they go into some woods and
15 they engage in what you see as actual sexual intercourse as
16 well as oral sex. This first segment is captioned "Lolita
17 Climax." As you'll learn from the testimony, the word
18 "Lolita" is a tip word or a code reference to depictions of
19 underaged participants.

20 In another segment of the tape captioned "Lolita 2,
21 Group Sex," the same long-haired blond female from "Lolita
22 Climax" participates with other high-school-aged girls and
23 with males in a variety of actual sexual behavior, oral,
24 lesbian, anal sex, in addition to genital-to-genital sexual
25 intercourse.
