2 wouldn't come in to show that he was otherwise engaged in
3 lawful activity [REDACTED]

4 [REDACTED] If [REDACTED] has some other way to get in --

5 [REDACTED] Well, I think [REDACTED] should indicate what
6 that way is, because if there's no -- it's a tape that was
7 from 199 [REDACTED] and we talked about the fact that whether or not
8 it's illegally being sold now has no bearing on this case.

9 [REDACTED] Judge, it's the same exact footage as
10 what he's charged with, No. 1, and it was just purchased at

11 [REDACTED] It's adult material. They're simply
12 contending that one of the participants in the film is
13 underage. And it's sold over the counter. It's a
14 manufactured Blue Vanities tape under a normal label, and as
15 is another tape. We haven't been able to find the exact
16 footage on that. But these aren't children. They're sold
17 at adult book stores and you can go out there right now and
18 buy that tape and I have it.

19 [REDACTED] The fact that they sell it doesn't
20 prove that it's not children. It makes no difference. They
21 don't have any license to sell child pornography.

22 THE COURT: I'll overrule the objection at this
23 time.

24 [REDACTED] Thank you.
